

Special Census Jobs in the Village of Mahomet

The U.S. Census Bureau will conduct a Special Census in select areas of the Village of Mahomet. The Special Census is expected to start in early January. Local residents are needed to work as Enumerators, Crew Leaders, and Clerical Staff. Enumerators visit households and collect a few facts about each member such as name, age, and relationship to the householder. Enumerators are paid \$13.84 per hour, plus mileage and paid training. Crew leaders are paid \$15.34 per hour and clerical staff are paid \$10.84 per hour.

To be considered for temporary census employment, review the job description fact sheet to determine if you meet basic eligibility requirements. Then submit a completed job application to the Village Administration Office at 503 E. Main, Mahomet, prior to a mandatory testing date on November 22, 2016. When the application is turned in you will be provided an assigned time for the mandatory job-related test to further determine suitability for census employment. You must be present for testing at your designated time on November 22, 2016 at the Village Administration Building.

The job description fact sheet and job application can be viewed online and printed by clicking this link: <http://www.census.gov/programs-surveys/specialcensus/employment.html>. Paper copies of both documents can also be picked up at the Village Administration Office.

- \$10.84 - \$15.34/hour
- Multiple positions available
- Must be 18 years old
- Valid driver's license and vehicle available for use
- Ability to hear responses and read questionnaires
- Daytime, evening, & weekend work, as needed with minimum of 20 hours per week
- Must be available on November 22 for a schedule written test
- Available to attend a four-day training session
- Up to 4-6 week commitment, positions expected to start in early January

The job description fact sheet and application also includes information about identification documents you need to bring to the testing session. If selected, you will be invited to attend a training class and then given a work assignment that lasts approximately 4 to 6 weeks.
